

**SUPERIOR COURT OF CALIFORNIA,  
COUNTY OF HUMBOLDT**

May 4, 2011

Notice Re: RFP 2010-002

To Whom It May Concern,

The Court has determined the competition resulting from the Juvenile Dependency Request for Proposals (RFP) issued December 22, 2010 is inadequate. According to RFP Attachment C item 8, all bids have been rejected and the RFP process has concluded. In accordance with Administrative Office of the Courts Trial Court Financial Policies and Procedures 6.11.1, the Court is now proceeding in a non-competitive process in order to enter into a contract for juvenile dependency representation.

The Court invites all interested parties to submit letters of interest for entering into a contract to administer ALL juvenile dependency representation for the courts including, juveniles, adults and all conflicts. Please include the intended structure of the program and its total annual cost. We believe the total number of clients, both juvenile and adult, are approximately 600.

Letters will be accepted until 5:00 pm on Wednesday May 18, 2011 via e-mail at [DependencyRFP@humboldtcourt.ca.gov](mailto:DependencyRFP@humboldtcourt.ca.gov) or at 825 Fifth St., room 224, Eureka CA 95501. The Court anticipates making a final decision no later than June 1, 2011.

Respectfully Submitted,

Drew Lund  
Court Accountant
