Additionally, the court may also require this device for a term of one to three years. This requirement will be imposed if I am convicted hereafter of driving while my license is suspended or in violation of license restrictions.
- F. **Refusal:** If I refused a chemical test (Vehicle Code Section 23577) 96 hours in jail will be added to the jail term imposed.

I understand that if I am not a citizen of the United States, a plea of guilty or no contest could result in my being deported from the United States, excluded from admission to the United States, or denied naturalization as a United States Citizen.

I have discussed any applicable immigration consequences with my attorney.

I understand that if I am currently on probation or parole for any other criminal offense, that such probation could be revoked as a result of my plea today.

I understand that in order to become eligible for a California driver's license, I must give satisfactory proof to the Department of Motor Vehicles of successful completion of an 18-month alcohol rehabilitation program.

I understand that my driver's license suspension or revocation from DMV administrative proceedings is independent of court-imposed penalties and that my driving privilege will not be restored until I provide satisfactory proof to the DMV that I successfully completed the required driving-under-the-influence program, whether or not such a program is required by the court.
